

DLQ4

4" SQUARE DOWNLIGHT

Everything you love about the DLR4 is now available with the aesthetics of a square trim. Designed to boost energy efficiency, the LED light engine draws only 11 watts while achieving a light output to over 600 lumens. The enriched 90+ CRI light output provides superior color quality. Not only is the light quality better, but this design improvement meets new industry standards like Title 24.

FEATURES

- Die cast aluminum trim routes heat away from electrical components
- Low profile, high efficiency integrated driver
- Polystyrene diffuser and reflector cone create a uniform light distribution that reduces glare
- Greater than 90 CRI and an R9 greater than 50
- Dimmable to 10% with most standard dimmers
- Thermally protected, high efficiency driver standard
- Operating temperature rating of 0°F to 120°F (-18°C – 49°C)
- LM-79, LM-80 testing performed in accordance with IESNA standards
- Quick and easy installation with a screw-in Edison base (GU24 socket string available) and friction clip mounting system
- Wet location rated
