

Easily Paint Behind Hard to Reach Areas

In need of a simple solution for painting in narrow spaces? Check out Paint Behind.[®] It's a revolutionary new tool that helps you easily paint behind fixtures and appliances that have been installed close to walls. No more blank canvases — Paint Behind[®] is here!

The Paint Behind[®] tool includes one removable paint pad and a transparent paint tray. The tray has a perforated tab at the top, making it easy to hang the product in wall-mounted displays.

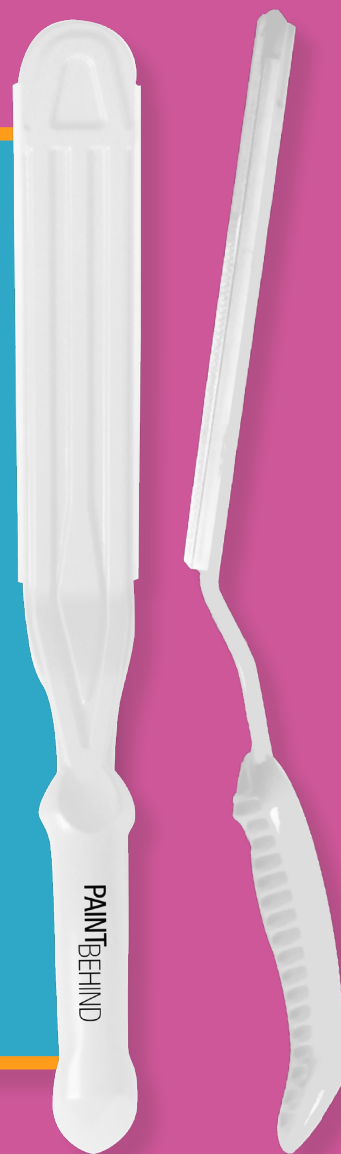

Benefits of Paint Behind[®]

- Easy to use
- Includes a strong, reusable applicator
- Applies paint smoothly
- Is an affordable option for painting in hard-to-reach areas
- Contains simple-to-use, slide-on replacement pads
