- Wattage max 1500W
- Insulation class I

Grounding instructions

This heater is for use on 120 volts. The cord has a plug as shown at A in Figure 60.1. An adapter as shown at C is available for connecting three-blade grounding-type plugs to two-slot receptacles. The grounding plug extending from the adapter must be connected to a permanent ground such as a properly grounded outlet box. The adapter should not be used if a three-slot grounded receptacle is available.

Thank you for choosing to buy a PARAGON OUTDOOR product.

If you have a question about your PARAGON OUTDOOR heater, call the PO Helpline at 1-877-782-4482 with your serial number and details of where and when you bought the unit.

Most questions can be solved over the phone by one of our Helpline staff. If your heater needs service, call the PO Helpline so we can discuss the available options. If your heater is under warranty, and it is a covered repair, it will be repaired at no cost.

To help us ensure you receive prompt and efficient service, please register as a PO owner. There are two ways to do this:

- by completing and returning the enclosed form to us by mail
- online at www.paragon-outdoor.com

This will confirm ownership of your Paragon Outdoor in the event of an insurance loss, and enable us to contact you if necessary. Terms and conditions of the Paragon Outdoor 5.3.1. year limited warranty

WHAT IS COVERED:

Your Paragon Outdoor heater is warranted against original defects in material and workmanship for a period of five years from the date of purchase, when used for private household purposes in accordance with the PO Owner's Manual. This warranty provides, at no extra cost to you, all parts to place your heater in proper operating condition during the warranty period.

REGISTERED OWNER IS RESPONSIBLE FOR THE COST OF SHIPPING ON ANY PARTS OR REPLACEMENTS

This warranty is subject to the following terms:

WHAT IS NOT COVERED:

PARAGON OUTDOOR, Inc. shall not be liable for costs incurred as a result of:

- Heaters purchased from an unauthorized dealer.
- Use of parts not in accordance with the Owner's Manual.
- Careless operation or handling, misuse, abuse and/or lack of maintenance or use not in accordance with the Owner's Manual.
- External sources such as weather.
- Repairs or alterations carried out by unauthorized parties or agents.
- Use of the heater other than for normal domestic purposes within the United States, e.g. for commercial or rental purposes.
- Use of parts and accessories other than those produced or recommended by Paragon Outdoor, Inc.
