None Applicable

KOHLER® One-Year Limited Warranty

See website for detailed warranty information.

Technical Information

All product dimensions are nominal.

Notes

Install this product according to the installation instructions.

This cabinet is designed for either right or left door swing. Check for obstructions.

Secure the screws (provided) to a stud to avoid possible property and product damage. If this is not possible, anchors (not provided) must be inserted before installing the screws.

When determining the height of the medicine cabinet, ensure the mirrored door will clear all obstacles (such as a faucet). A minimum distance of 2" (51 mm) is required.

Cutout for recess-mount installation:
29-1/4" (743 mm) width x 25-1/4" (641 mm) height x 3-5/8" (92 mm) depth.
