Inspect oring for damage & deformation*	At filter change	At filter change	At filter change	At filter change	At filter change
Sanitize System	At filter change	At filter change	At filter change	At filter change	At filter change
<b><i>*It is a good idea to keep a set of spare orings - 1 per housing. You may need to change them each time you open the housing.</i></b>					
<b><i>Note: Filter life will vary based upon contaminant level and usage.</i></b>					
<b><i>Note: protect system against freezing, direct sunlight and the elements</i></b>
