

SQUARE D™

QO and Homeline Spa Packs

A compact, enclosed device with a GFCI breaker to provide protection for outdoor circuits

Selecting an outdoor device for a hot tub, pool, or spa has never been easier.

Looking for ground fault protection?

Square D™ by Schneider Electric™ offers hot tub, pool, and spa electrical protection in either metallic (Homeline™) or nonmetallic versions (QO™). The QO pack includes an installed 50 A or 60 A Ground Fault Circuit Interrupter (GFCI). The Homeline pack includes an installed 50 A Ground Fault Circuit Interrupter (GFCI).

QO pack features

- 50 A or 60 A QO 2-Pole circuit breaker with ground fault circuit interrupter installed in a nonmetallic box
- Exclusive Visi-Trip™ Indicator on QO GFCI easily identifies tripped circuit breaker
- Non-corrosive, compact rainproof enclosure will not rust
- Side-hinged door for easy access can be padlocked
- Molded interior trim
- Circuit breaker enclosure designed for applications up to 60 A 120/240 VAC, 1 ø 3 wire with ground
- 10,000 A short-circuit current interrupting rating
