

Birkin Philodendron

Sunlight

Filtered sun to partial shade

Water

Keep soil moist, but not soggy. Let top third of pot soil dry between waterings. Do not let plant sit in water.

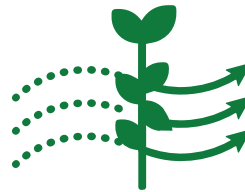

Pet Friendly

Can be toxic if ingested

Mature Size

Height: 12-16"
Width: 9-15"

Air Purification

Excellent – removes multiple airborne pollutants

Plant Hardiness

Outdoor: Zones 9-12
Indoor: ANY ZONE

Indoor Care Tips

Use a bark based or peat soil mixture in a well draining pot

Outdoor Care Tips

- Plant in well-draining area; in-ground or a planter
- Bring indoors when temp goes below 45° F

Expert Advice

- Loves humidity
- Relatively pest resistant - mealy bugs can be cleaned off with rubbing alcohol and cotton
