RESCUE RESTORE REDECORATE®

— One Step —  
**PAINT**  
MEDIUM BASE

32 OZ.

No Stripping • No Sanding • No Priming • No Top Coat Needed

Amy Howard at Home® One Step Paint™ features a water-based formulation with lovely floral scent that adheres to nearly any surface. Apply directly onto wood finishes, concrete, iron, stone, Formica, and more without sanding, stripping or priming. One Step Paint dries to an authentic flat, chalky finish just like you see on beautiful European antiques.

**A Passion** for 18th and 19th century French and Italian furniture led Amy Howard to create her eponymous Amy Howard Collection over 20 years ago. Using Renaissance period techniques, talented artisans in Amy's Memphis studio handcrafted furniture for a discerning clientele, including presidents, celebrities and renowned interior designers. Her Amy Howard at Home line of high performance DIY refinishing products brings this same level of professional craftsmanship into homes across the country.

**INSTRUCTIONS:** Clean furniture, cabinetry or decorative accents with Amy Howard at Home Clean Slate to remove old finishes and waxy residue. Shake well and then stir One Step Paint™ to mix thoroughly. For a thicker application, leave open 15-20 minutes before using. For best results, apply paint with an Amy Howard at Home® China Brush. Apply one coat and allow to dry approximately 30 minutes. Do not sand. A second coat is recommended for best coverage. For an antiqued satin finish, use Amy Howard at Home® Clear Wax and/or Dark Wax. Allow wax to dry 30 minutes and buff to get a beautiful Old World look. Use Amy Howard at Home® Dust of Ages™ after waxing to accentuate and age any carved details on your piece. Enjoy the bragging rights™!

Store at room temperature. Dispose of according to all applicable laws and regulations.

**CAUTION:** MAY CAUSE SKIN AND EYE IRRITATION. Avoid contact with eyes, skin, or clothing. If contact with eyes occurs, flush eyes with water for 15 minutes. If swallowed do NOT induce vomiting; seek medical attention.

**Warning!** If you scrape, sand or remove old paint from any surface, you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS, SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to [www.epa.gov/lead](http://www.epa.gov/lead).

Keep out of reach of children.

CALIFORNIA PROP 65 WARNING: To the best of our knowledge, this product does not contain any of the listed chemicals which the state of California has found to cause cancer, birth defects, or reproductive harm.
