

The image is a full-page background featuring a close-up, low-angle shot of a floor made of rectangular tiles. The tiles have a realistic wood-grain texture in shades of light to medium brown. The grout lines are thin and light-colored. In the upper portion of the image, the lower legs and feet of several wooden chairs are visible, suggesting a dining or kitchen area. The lighting is soft and even, highlighting the texture of the tiles.

Cabin™ beautifully replicates the subtle look of wood in durable glazed porcelain tile. Offered in neutral earthy colors to compliment your space.

Product and Installation Details | ANSI A108.02
Section 4.3.8.2 - For running bond/brick jointing patterns utilizing tiles (square or rectangular) where the side being offset is greater than 18" (nominal dimension), the running bond offset will be a maximum of 33% unless otherwise specified by the tile manufacturer. If an offset greater than 33% is specified, specifier and owner must approve mock-up and lippage.
