- * Your mattress topper has been compressed for easy and efficient delivery and setup. We know you are excited to put it to use!
- * Please unwrap it carefully, as your topper is eager to get out of this small box. And, give your mattress topper time to decompress. It just needs a moment to relax and recharge itself into an optimal position.
- * Lastly, it is natural to sense a subtle odor once unpackaged, so no hard feelings. This too shall pass and you both will be like peas in a pod in no time.
