

VanZyverden's DAHLIA PEACHES & CREAM

Growing dahlias is very easy when grown from our tubers (bulbs) and we guarantee them to grow and bloom. If you have been to a state fair, you have probably seen a pavilion filled with these exotic amazing blossoms. Collected by many gardeners, they make for sturdy varietal plants and are excellent in perennial borders. Growing them will likely lead to a hobby as the spectacular blooms are addictive and quite versatile in the garden. They can also be grown as pot plants. A gardening expert once said of dahlias, "Never have so many enjoyed so much with so little time and work". He was right! Plus, they are inexpensive. It is also the national flower of Mexico.

Exquisite bi-colored flowers

*Velvety texture of the petals
adds depth and allure*

*Excellent for bouquets
and cut flower arrangements*

About This Variety: Dahlia Peaches and Cream is a captivating variety that enchants with its soft, dreamy colors and delicate petals. This exquisite dahlia variety showcases a charming blend of creamy white and peachy tones, creating a visual symphony that evokes feelings of warmth and sweetness.

Growing Instructions: Exact care of dahlia flowers may vary dependent upon your zone, but these tips should help you get maximum blooms and healthy bushy plants. Plant in well-drained soil, after danger of frost has passed, where they will get plenty of sunlight. They respond dramatically to feeding, increasing the growth of leaves, flowers and your tuber clump for an even bigger show next season. Water well.

Care Tip: Big dahlias might need a support structure to keep the heavy huge blooms from bending to the ground. Cut flowers only after they are almost fully open to enjoy them in a vase indoors. The more you cut, the more they bloom.

Blooms: Late summer through early fall

Exposure: Full Sun to Partial Shade

Height: Grows 36-48" tall

Spacing: Plant 24-36" apart, 3" deep

USDA Zones: Hardy in USDA zones 9-11

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
