

PEG-002B

Installation guide

< The pictures below are for reference only, please refer to the actual product. >  
Please read this product manual carefully before use, and keep it properly.

Technical Data

Overall maximum load-bearing	99 lbs
Maximum load-bearing capacity of storage layer	44 lbs
Vertical rail height	33.07"

Product List

Preparation before installation

Install on carpet to prevent scratches.

Need two or more people to cooperate together.

Bring your own pistol drill.

Part List

No.	Part	No.	Part
①	Left vertical rail x2	⑫	Tool rack x1
②	Right vertical rail x1	⑬	Tool slide x1
③	Left side tripod support x4	⑭	Storage board x4
④	Right tripod support x4	⑮	Auxiliary mounting plate x1
⑤	Storage box holder x1	⑯	Wire x8
⑥	Scroll x1	⑰	Left side flange type pipe rack x1
⑦	Left reel support x1	⑱	Right flange type pipe rack x1
⑧	Right reel support x1	⑲	Pressure bar x1
⑨	Left tool holder x1	⑳	Blade x1
⑩	Right knife holder x1	㉑	Beam x2
⑪	Blade clamp x1		

Installation Instruction

 **Attention**

1. Please read the instructions carefully before installation. If you have any questions about installing this product, please contact a professional for installation.
2. This product must be installed on the desktop. Before installation, please be sure to confirm that the load-bearing capacity of the installation surface shall not be less than the maximum load-bearing capacity of the product.100pounds, otherwise please reinforce the installation surface in advance to avoid product damage or personal injury.
3. Fasteners used for product assembly and installation should be inspected and tightened at least every 6 months.
4. Stack items evenly on the platform, place heavy items near the vertical rails on both sides, and place light items near the center of the platform.
5. Children are not allowed to play on this product. Some behaviors of children playing on the product are unpredictable, and the manufacturer is not responsible for the dangerous consequences caused by this.
6. Operate with an understanding of the relevant hazards. Children 14 years old or younger and persons with physical or sensory impairments or unsound minds should use it under correct supervision and guidance.
7. This product contains some small parts, which may cause a choking hazard if swallowed accidentally. Please keep these small parts away from children.
8. Please make sure your operating environment is free of any sources of danger, such as not leaving your tools lying around. And always handle packaging materials with caution to avoid various possible hazards, such as possible suffocation hazards caused by children playing with plastic bags.
9. The company is not responsible for any damage caused by the use of non-original accessories, improper installation, overloading, or continued use due to product failure.

**Waste disposal**

This marking indicates that this product should not be disposed with other household wastes. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.
