Foldable Double Door Dog/Cat Cage Assembling Instructions (for 24", 30", 36", 42", 48" Cages)

- Lay folded cage on the floor with the pan on the bottom, unhook the latch from the side of the cage.
- 2. "Double Door Cage" consists of three parts: Divider, Handle and your Pet's home.
- 3. Unfold one side of the cage completely and place it on the ground.
- 4. Grab any part of the wire mesh on the top panel of the cage and pull it upwards until it rests on the bottom panel, and create a rectangular shape.
- 5. Pull the side panel out until the hooks lock in place on the top panel.
- 6. Repeat the same procedure to the other side panel.
- 7. Attach the handle to finish your pet's home.
- 8. Fix the divider if needed.
