

DF Series

33" Plug-in Electric Box

DF3033ST

The clean lines of a built-in firebox with plug-in simplicity

The 33" plug-in electric firebox offers a 120 volt plug-in widescreen electric firebox with thermostat controlled fan-forced heat. With our patented electric flame technology, the pulsating embers with hand finished logs molded from real wood logs offer incredible realism.

DF Series 33" Plug-in Electric Box

DF3033ST

Features

The Original Dimplex Flame Effect™

A blend of technology, artistry and craftsmanship that sets the standard for realism.

Patented Inner Glow Logs

Individually molded and hand-finished logs pulse and glow from within for the look of natural burning logs.

Supplemental Heat

Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable.

Thermostat

Includes a thermostat controlled fan-forced heater to ensure consistent comfort.

Multi-function Remote

Control 100% of the fireplace features from the comfort of your chair.

All-season Flames

Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Economical

Economical to operate costing only pennies per hour.*

Low Carbon Footprint

The most sustainable fireplace option; no emissions and 100% efficient.

Cool-touch Glass

Glass remains cool making it safe for children and pets..

Just Plug It In

Simply plug into any standard household outlet for instant ambience.

* Based on national average residential electricity rate. Rates vary.

Multi-function Remote
