

Warning Copy Info

- The word “WARNING” in all capital letters and bold print
- Consumer product exposure warnings on a label must be prominently displayed with such conspicuousness as compared with other words, statements, designs or devices on the label as to render the warning likely to be seen, read, and understood by an ordinary individual under customary conditions of purchase.
- Entire warning be in a type size no smaller than the largest type size used for other “consumer information” on the product, and in any case the warning must not be in a type size smaller than 6-point type.
- “Consumer information” includes warnings, directions for use, ingredient lists, and nutritional information, but does not include the brand name, product name, company name, location of manufacture, or product advertising.
- Warnings do not have to be on a single line.
- Requirements: Warning symbol to the left of the warning message, height of the signal word, and the minimum type size must be followed.
- Copy will read as follows:
