

Wall Anchor Instructions

James Martin Vanities Company always recommends you consult and/or hire a professional contractor when installing your Linen Cabinet.

IMPORTANT NOTE:

To prevent furniture of tip-over accidents; do not use this linen cabinet until it has been secured to the wall with a Wall Anchor Hardware Kit. This hardware is located in a special hardware bag, attached to the back side of the Linen Cabinet.

If you unable to locate this hardware, please contact your James Martin supplier, so we may send you a replacement set.
