

WIFI CONNECTIVITY GUIDE FOR THE KONNECTED JOE™ DIGITAL CHARCOAL GRILL

KONNECTED JOE

BY **KAMADOJOE**

Control your entire cook from your mobile device. Set and adjust temperature and time, monitor meat probes, and see the progress of your cook over time.

PAIRING YOUR GRILL WITH SMART DEVICE(S) (BLUETOOTH+WIFI):

STEP 1

Download the Kamado Joe app from the Apple App Store or Google Play Store onto your smart device(s).

NOTE: During normal operation, the app may experience a slight delay from your grill controller readings.

STEP 2

Once the download is complete, open the Kamado Joe app and follow the instructions for pairing your Bluetooth + WiFi grill and smart device(s).

NOTE: Please ensure your WiFi Network is capable of 2.4Ghz. If you have dual band router (2.4Ghz and 5Ghz), choose the 2.4Ghz network. Both networks should have different names to ensure proper pairing.
