

steps to care

taking care of your throws

Remove spilled liquids as quickly as possible by blotting. Do not rub.

Machine wash as often as required to prevent dust build-up.

Low heat tumble dry to maintain appearance.

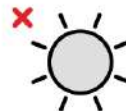

If a yarn is loose, clip it. Do not pull.

Always test fabric-friendly cleaners in a small area before use.

Do not use abrasive or harsh chemicals to clean as this may damage the finish.

Avoid direct sunlight to prevent fading.

Do not use stiff bristle brushes to clean.
