

Transferable Limited Warranty

Congratulations! Thank you for purchasing products from Barrette Outdoor Living, Inc. ("Barrette"). This limited warranty covers capped composite decking, fascia and riser boards and hidden fastening systems components, collectively "Product". While many factors can affect how long your decking products will last, this Limited Warranty covers your Product in the unlikely event that any component contains a manufacturing defect.

Who is covered:

- The limited warranty is given to the original purchaser, residential or commercial as the case may be, for a period of twenty-five years (25) for residential purchasers and ten (10) years for commercial customers, collectively referred to as the "Warranty Period".
- For the purposes of this limited warranty, a "residential purchaser" shall refer to an individual residential homeowner using the property where installed for their personal, family and household use. A "commercial purchaser shall refer to any purchaser other than a residential purchaser, including buildings or property owned by corporations, governmental agencies, homeowner associations, cooperative housing arrangements and apartment buildings.
- This limited warranty may be transferred one time by the residential purchaser only within the Warranty Period. The second residential owner must notify Barrette in writing within 60 days after the property transfer in order to qualify for the remaining term of the original 25-year limited warranty coverage. (Other than this one transfer, this warranty may not be transferred or assigned, directly or indirectly.) The ten (10) year limited warranty for commercial purchasers cannot be transferred.
