

Lift Higher and Faster with more Control without Folding Under Pressure

500 LBS

Replace your pry bars, wooden shims
and other lifting or adjusting tools with the

AIRSHIMTM PRO XL

INFLATABLE PRY BAR & LEVELING TOOL

- Contractor-Grade Inflatable air wedge for window, door, cabinet and appliance installations
- 500 lbs Load Rating safely handles installations with just a single installer, saving time and labor costs
- Wide 3" Gap Spanning Capacity - 3/32" to 3" range means greater lifting or pushing range and more versatility on the job or around the house
- 5.25" x 10.75" lifting surface limits folding especially around narrow-edge loads
- Easy One-Handed Operation using simple squeeze pump and precise metal bleeder valve lets you raise and lower to perfect alignments

You can even use it to pry objects apart (like fragile baseboards and trim from a wall) without damage. For some challenging jobs, like leveling windows, doors or heavy appliances, using more than one AirShim PRO XL is recommended.

Metal bleed valve
allows precise deflation
