

Assembly / Installation in seconds

No tools needed

Attach one half of the table at a time.

Choose any height desired on the Aluminum H-Post

Lightly tighten the knobs equally and at the same time.

Do Not Over-tighten

Join the second half of the table and repeat the process

Now lock the two halves together using the supplied **BUTTERFLY BOLT**

AND NUT Through the holes under the table

Once you have an equal and tight seam, finish by giving the knobs a final turn as needed. Again, no need to over-tighten.

Enjoy !
