MOTORIZED ARTICULATING MOUNT

DIMENSIONS

MOTORIZED ARTICULATING MOUNT

A secure and easy to install, low profile design with adjustable pivot.

Fits most TVs 32"-75": Accommodate your ultra-wide or standard TV setup with this mount's wide range of compatibility.

- Low profile design: Keeps your TV close to the wall for a sleek look while maintaining maximum stability.
- Motorized mount: Effortlessly adjust your viewing angle and height; maneuvering is made easy with the included remote control.
- Hassle free installation: Detailed instructions and all the necessary hardware are included, making for a seamless setup process.
- Cable management system: Keep cords out of sight and cluttered cords from being an eyesore in your home theater.
- Solid all metal construction with locking mechanism: Maximum stability guaranteed, no matter how you move your TV around.
