

OPERATING INSTRUCTIONS

To set your personal combination, follow these steps:

1、 The lock is opened at original number 0-0-0, aligned with the indication line (even though dials may be positioned at different numbers).

Press down the Button, now the lock is ready to open.

2、 Push down the number-adjusting rod with shape tool, hold the position until next step 3 is finished.

3、 Turn the dials to set your personal combination.

4、 Release the number-adjusting rod, now your new personal combination is set.

5、 Remember well your new combination. If you want to change it again, please repeat.
