

Ultra Slim Canopy Light

PRODUCT DESCRIPTION

Flush mounting canopy fixture has an extremely thin profile constructed of rugged cast aluminum. Designed to offer secure, energy efficient and virtually maintenance-free lighting solutions for new or retrofit projects for service stations. The Fuel Pump fixture can be flush mounted to any canopy with round or square cutout sizes between 2.5" and 13.5" wide.

Applications: Petroleum canopies, CNG fueling stations, low- medium bay general lighting, soffits.
