Questions? Issues with Damaged or Missing Parts?

In order to best assist you, please contact Yard-Craft directly, NOT a third part retailer, with any questions regarding our products, damages, or replacement parts. This will help you get what you need as quickly as possible! Call us at 866-210-9273 or Email us at info@yardcraft.com!

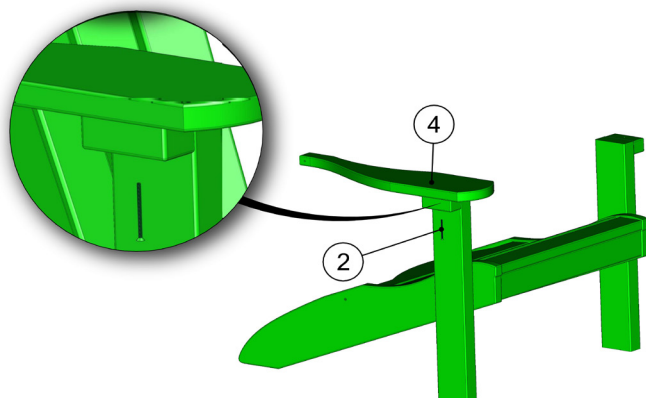

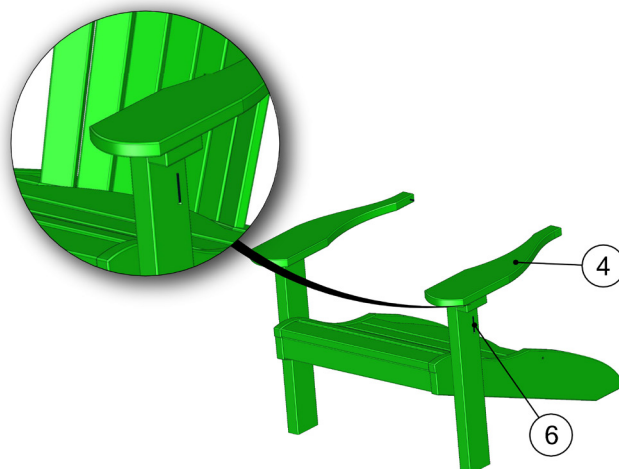

Start by placing the Seat Assembly on its side. Place one Leg onto the Seat Assembly. Fasten with two (2) 1.5" Hex Bolts through the pre-drilled holes.

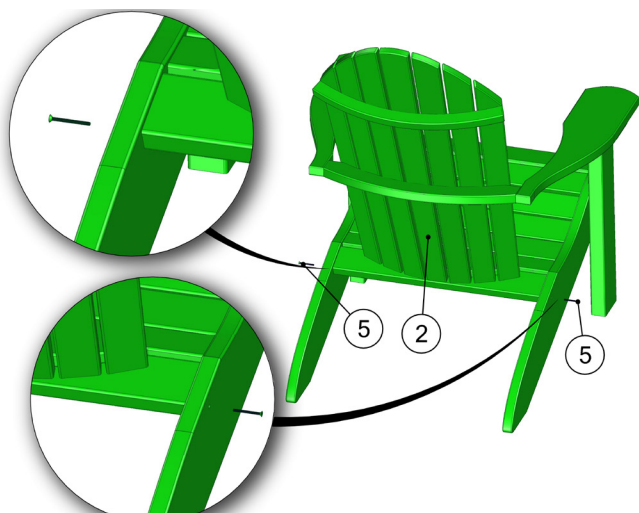

Turn the Seat Assembly around to install the second Leg with two (2) 1.5" Hex Bolts through the pre-drilled holes.

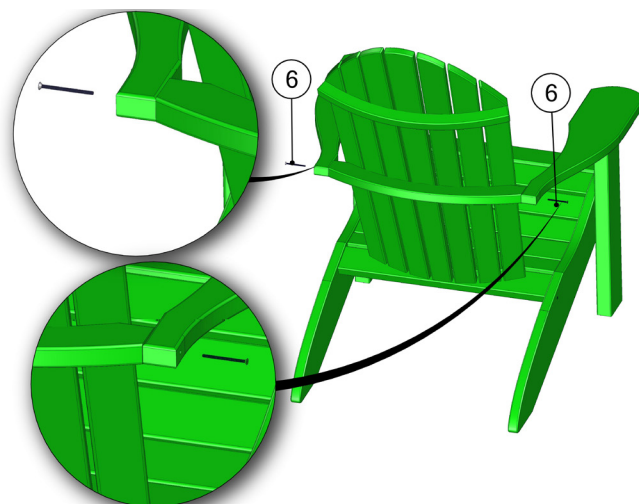

Set the Seat Assembly to its correct position. Place the Arm Rest onto the Legs and install one (1) 2" Hex Bolt through the pre-drilled hole. (Only hand tighten for now.)

Place the second Arm Rest on the Leg on the opposite side, and install one (1) 2" Hex Bolt through the pre-drilled hole. (Only hand tighten for now)

Place the Back Assembly between the Seat Assembly. Fasten to the Seat Assembly with one (1) 1.5" Hex Bolts through each pre-drilled hole.

Fasten the two Arm Rest at each end of the Back Assembly with one (1) 2" Hex Bolt through each pre-drilled hole. Now using the provided Hex Key, tightly secure all the Hex Bolts.

Congratulations!
You're ready to relax!
