Parts list: (included)

						
Lampshade*1	Lamp Body*1	Outer Ring*1 (The outer ring snaps onto the lamp body)	Tapping screw*2 Screw*2	Mounting bracket*1	Remote Contro*1	Type-C USB Charging Cable*1

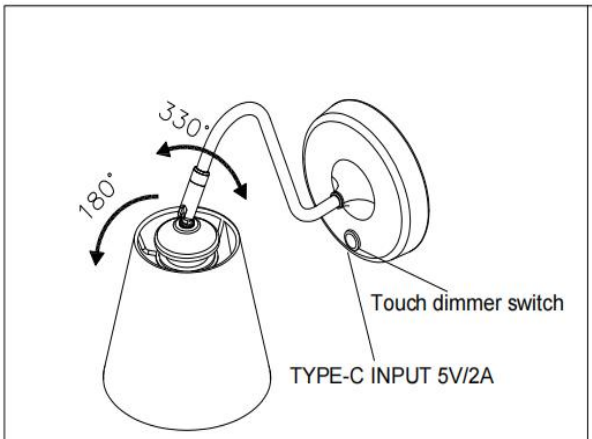

Step 1:
Mark the location of the mounting holes on the wall with a pencil and drill holes at the marked locations. Insert two tapping screws into the drilled holes and secure the mounting bracket (top right corner as shown) to the wall with screws. Make sure it is level and firm.

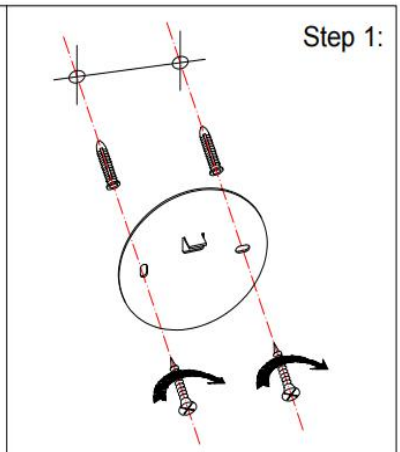

Step 2:
Connect the lamp body to the mounting bracket by aligning the connection points.

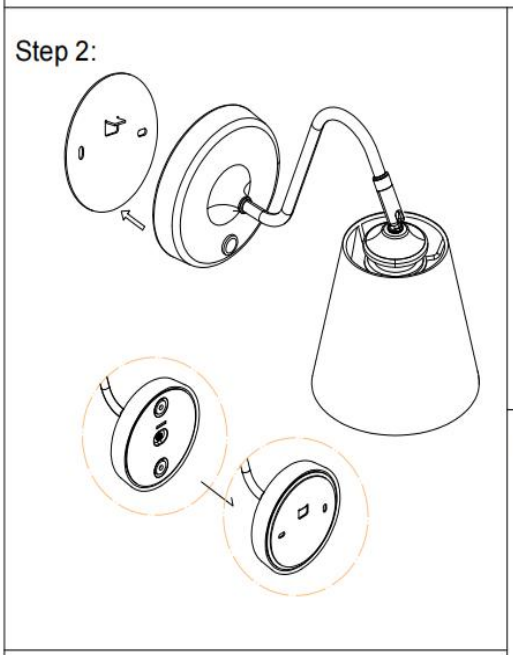

Step 3:
Remove/unscrew the outer ring from the lamp body.

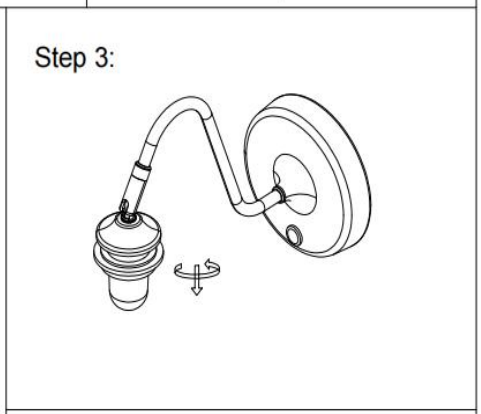

Step 4:
Then use the outer ring to secure the lampshade onto the lamp body, ensuring that it is firmly in place and will not loosen.

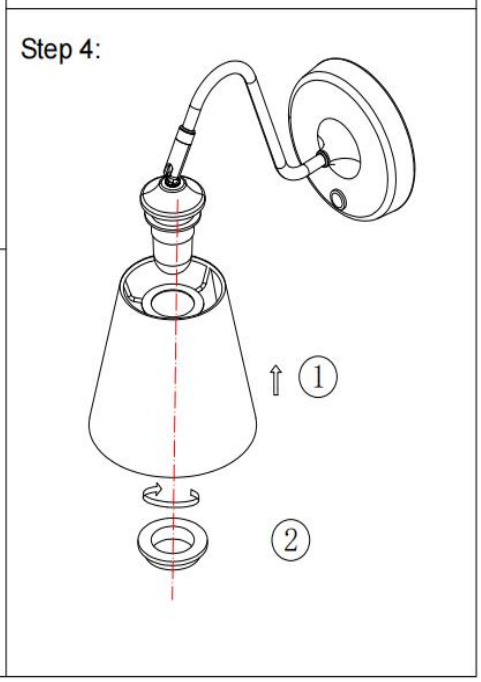

Step 5:
Use the provided Type-C USB cable for charging. **For first-time use, please charge the device for at least 3 hours.**The indicator light will remain red during charging and turn green when charging is complete. **Regular charging is recommended if the product is unused for a long time.** The lamp offers **touch stepless dimming and remote control** for further convenience.
