

## Fiberglass Fish Tape with Non-Conductive Tip, 100-Foot

Klein Tools' 100-Foot non-conductive fiberglass fish tape and non-conductive eyelet tip offer added protection against shock from energized sources. The fish tape and eyelet tip slide easily over existing wires and through multiple bends. The optimized housing and handle redesign decreases payout effort and reduces binding. A multiple-position handle allows for a firm, steady grip as you pull or rewind the tape. The unique interior case shape combines the leverage of square cases and the comfort of round cases, which makes rewinding tape after a long run easier.

### Specifications

<b>Type:</b>	Fiberglass Fish Tape	<b>Application:</b>	Wire Pulling
<b>Special Features:</b>	Optimized Housing Design, Fiberglass	<b>Overall Length:</b>	1.85" (4.7 cm)
<b>Overall Height:</b>	16.21" (41.2 cm)	<b>Overall Width:</b>	12.35" (31.4 cm)
<b>Material:</b>	Fiberglass	<b>Color:</b>	Orange/Black
<b>Tape Size:</b>	100' x 0.182" (30.5 m x 0.5 cm)	<b>Diameter:</b>	0.182" (0.5 cm)
<b>Tape End:</b>	Non-Conductive Nylon Eyelet	<b>Weight:</b>	3.3 lb (1.5 kg)
