CANNA REINE CHARLOTTE

Cannas are among the most colorful summer bulbs with ruffled spikes tapering to refined buds, boasting immense, paddle shaped leaves. Their great reedy canes and palmy foliage make for large, magnificent plants, yielding blooms all summer for long lasting curb appeal. They are deer resistant and appear most dramatic when grouped in masses. These are fast growers with large flowers.

*also known as queen charlotte*

*good in garden beds or larger containers*

*easy to grow and low maintenance*

*About This Variety:* Canna Reine Charlotte is also known as Queen Charlotte. They produce a spire of red and yellow blooms as many of them open at the same time. Erect stems with ovate dark green leaves. Long blooming. One of the oldest cannas being grown and a strong choice for canna lovers and collectors alike. Colors reminiscent of a great victorian painted lady.

*Growing Instructions:* Where not hardy, plant outdoors in early summer 2" deep, setting the rhizome in the hole, 'eyes' (shoots) up. Cannas do best with a good supply of water.

*Care Tip:* As flowers fade, deadhead to promote continued flowering. They like moist conditions.

*Exposure:* full sun to partial shade

*Height:* grows 36" tall

*Spacing:* plant 18-24" apart, 2-4" deep

*USDA Zones:* hardy in USDA zones 8-11

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
