WHAT'S IN THE BOX

WAL STANDARDS DETAIL

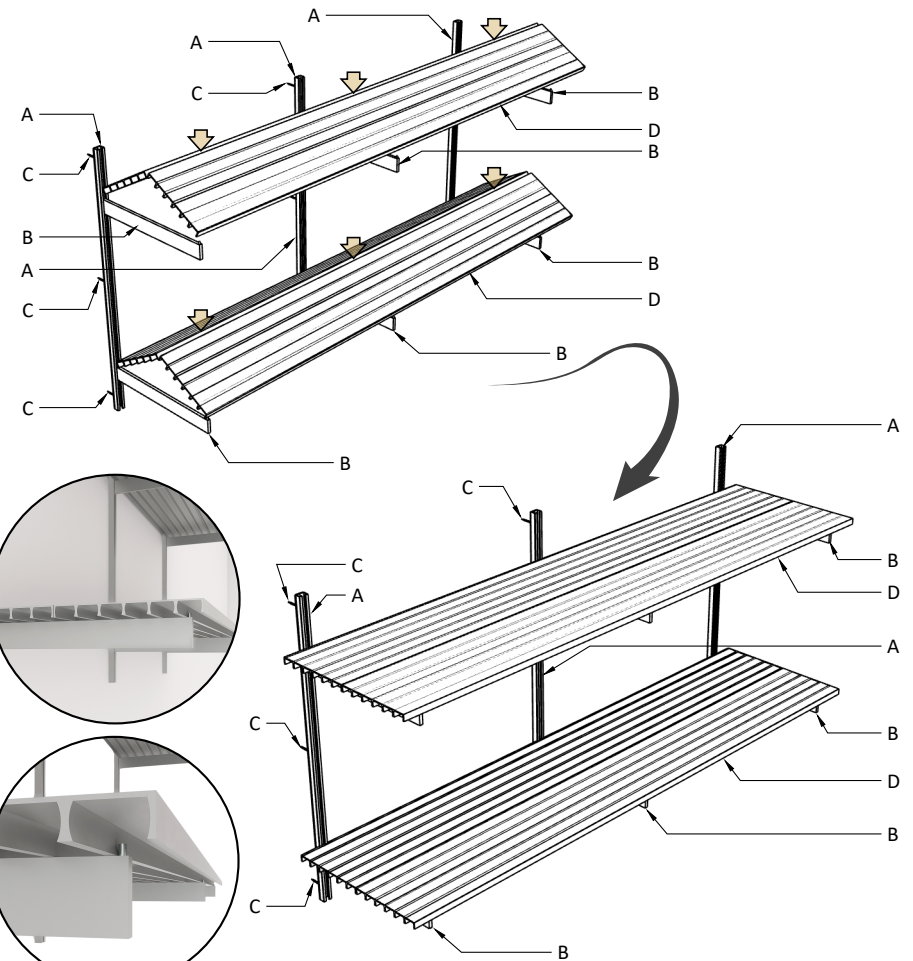

Wall Standards should be
screwed into your studs or use
with appropriate wall anchors.

ASSEMBLY DETAILS

The bracket will be inserted into your WAL Standards on the smooth channel side while turned at a 45 degree angle. Insert the bracket through the top or bottom of your WAL Standards. Carefully slide your bracket along the WAL Standards to the desired position. Begin to gently push the bracket down to snap into place.

Section pops into brackets
with pin.
