

Wall Base & Accessories

COMMERCIAL CARE & MAINTENANCE

This document is intended for professional use to provide a starting point for Commercial Cleaning, Care & Maintenance of these products, each unique application may require additional or further steps to ensure complete satisfaction. Please refer to the general information and then the table of contents for the specific product information. Refer to product website to confirm that you have the most current revision of this document. If you need a project specific maintenance document or if there are any questions or concerns, please reach out to solutions@rhctechnical.com.

POST INSTALLATION, PRIOR TO SERVICE MAINTENANCE

Job site conditions will cause dirt and debris to be present on the installed wall base and/or accessories. Post installation, prior to service maintenance should only be performed after the prescribed timeframe for the product and adhesives utilized. However, the wall base and/or accessories should be protected after installation prior to the completion of the Post Installation, Prior to Service Maintenance

1. Remove any protective coverings prior to maintenance.
2. Use dust cloth or duster to remove any dirt, dust, or debris.
3. Add 2-4 ounces of Excelsior NC-900 Neutral Cleaner to one U.S. gallon of clean, potable water.
4. Use a clean towel or cloth to apply cleaning solution to the area and let stand for 5-10 minutes.
5. Use a clean towel or cloth to rinse with clean, cool water and allow wall base and/or accessories to dry completely.

ROUTINE CLEANING

1. Remove any protective coverings prior to maintenance.
2. Use dust cloth or duster to remove any dirt, dust, or debris.
3. Add 2-4 ounces of Excelsior NC-900 Neutral Cleaner to one U.S. gallon of clean, potable water.
4. Use a clean towel or cloth to apply cleaning solution to the area and let stand for 5-10 minutes.
5. Use a clean towel or cloth to rinse with clean, cool water and allow wall base and/or accessories to dry completely.

PREVENTIVE MAINTENANCE / FLOORING PROTECTION RECOMMENDATIONS

- Do not slide or drag anything along the wall base and/or over the accessories. When moving appliances or furniture, protect wall base from scuffing and tearing using temporary floor protection.
- If these recommendations are not followed, we can guarantee your cleaning and maintenance will be more difficult.
- Avoid the use of detergents, abrasive, alkaline, or acidic cleaners or cleaning agents which contain oil or solvents. Also mop and shine products will dull the finish and sheen and potentially break down the material.
