

DECK ELITE

HIDDEN DECK FASTENERS

The AnglePro Hidden Fastening System provides a premium aesthetic by eliminating the visibility of screws. The Deck Elite AnglePro guides Hidden Deck Elite Fasteners precisely between the gaps of each board leaving a perfect finish.

STAR DRIVE RECESS

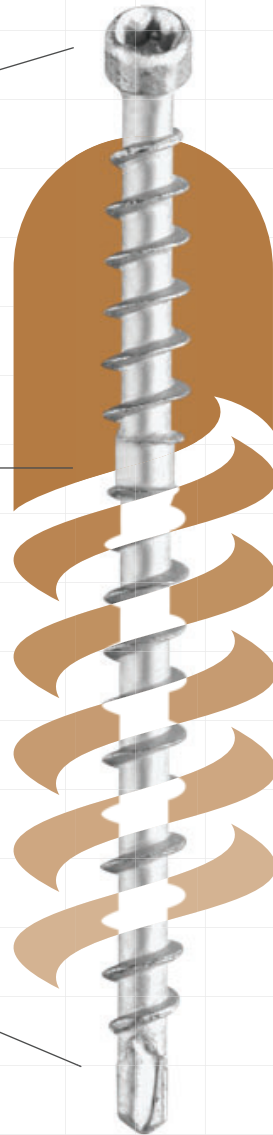

6 points of contact,
eliminates stripping

DUAL THREAD FORM

Delivers superior clamping force, replicating the holding power of topdown fastening

DRILL POINT TIP

Reduces board splitting
and provides a clean finish
