

5-PIECE VICTORIAN BORDER FENCE HMI-615

Review all information before using this product. Save this manual for future reference.

INSTALLATION

Insert the first panel into the ground. Take note of the connector hole located on the side of the panel. Take the second panel and align the flat leg with the connector hole on the first panel. Insert both legs into the ground, the flat leg of the second panel should pass through the connector hole on the first panel for a secure fit.

Repeat until all panels have been installed.

General Use & Care

INSTALLATION: Install into firm soil, installing into loose soil may cause the fence to lean or tip over. Do not install fencing into rocks, sand as it may damage the finish.

CLEANING: Wet a soft cloth with clean water and wipe away dirt and debris.

SCRATCHES: The powder coating on the fence is tough and durable, but some scratching is inevitable, even under normal conditions. Scratches can be repaired with a rust-resistant paint. **NOTE:** The one-year warranty does not cover defects or damage caused by misuse, weather elements, painting and/or repairs.

WINTER CARE & STORAGE: Storing this item during winter, especially in locations with ice and snow is highly recommended. Move it to an indoor location that is cool and dry. Covering with a breathable cover while in storage will help prevent dust build-up.

Troubleshooting

THE FENCE POST WON'T GO FAR ENOUGH INTO THE GROUND

- Make sure there are no obstacles within the soil such as rocks, tree roots, or pavement.
- The soil may be too dry. Soak the soil with water and try inserting the panels again.

If you experience issues or the product was damaged during transit, please contact our customer service team through one of the methods mentioned at the top of page 1. Please have the item number and order information ready to expedite response time.

Any modification to the product or failure to follow recommended care will void the product warranty.

WARNING:

Manufacturer and seller expressly disclaim any and all liability from personal injury, property damage or loss, whether direct or indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, or neglect of this product.
