

You're going to live, laugh and love life in your outdoor space with the Atlas 7-piece outdoor dining set from Mōd. Share farm-to-table meals your whole brood of friends, neighbors and kiddos alike with this modern farmhouse dining set that six padded contoured-sling chairs and a 74-inch by 40-inch slat-top trestle table. (Drinking from a mason jar is optional.) This set can weather life's many storms, both metaphorically and quite literally. It's crafted with durable, all-weather materials, including heavy-duty steel frames, finished with a high-performance powder coating for extended protection against rust, scratches and your previously mentioned brood. The Atlas collection's chairs are both comfy and convenient—the stackable stationary chairs are easily stored, while the padded PVC sling provides max comfort. This dining set will be well-used and well-loved for years to come.
