Material: Metal

Base Type: E12

Light Source Included: No

Voltage: 120VAC

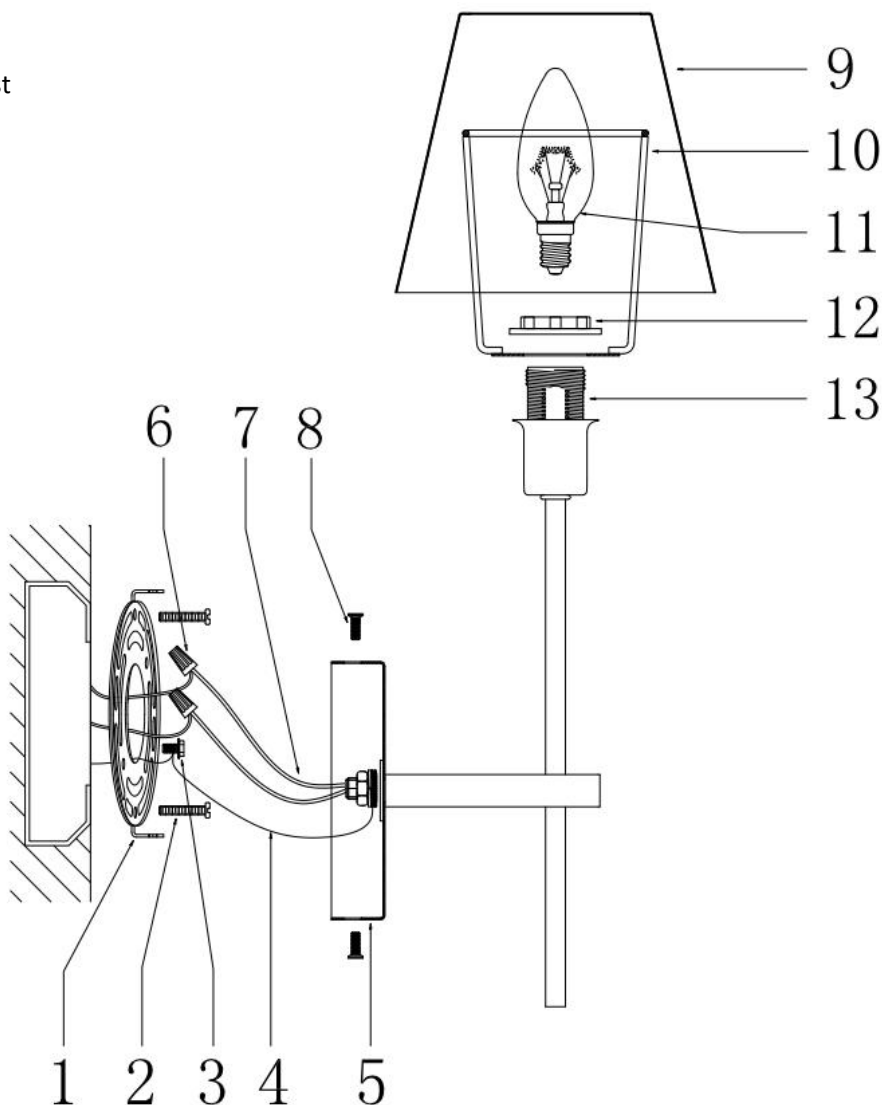

Wattage: 60W

## Package includes

1 x Wall Light

1 x Accessories Kit

1 x User's Manual

## Installation Instructions

A: Fix the mounting plate (1) on the junction box with screws (2);

B: Connect the positive "L" wire (black wire) of the main wire (7) to the positive (+) from the power wire using wire caps (6). Similarly, connect the negative "N" wire (white wire) to the negative (-) from the power wire using wire caps (6). Ensure no bare wires are exposed to prevent electrical leakage. Fix the ground wire (4) from the lamp and the ground wire onto the mounting plate (1) using the green screw (3);

C: Use the threaded bolts (8) to fasten the canopy (5) to the mounting plate (1) and secure the fixture;

D: Use the lamp holder locking ring (12) to fix the bracket (10) on the lamp holder (13), install the light source (not included) (11) onto the lamp holder (13), and put the lampshade (9) on the top of the bracket (10).

**Note:** Please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
