

After successful installation  
Please put the chair in a shady  
outside for 1-2 days.

For longer use

Re-tighten bolts every 6 months by using  
the enclosed allen-key.  
\*Using an electric drill can damage the chair.  
Please re-tighten bolts manually.

## Safety Information

Sit in the center of the  
chair, with your back to  
the backrest

Do not sit at the front  
edge of the chair

Do not stand on the  
chair

Do not use the chair  
with more than one  
person

Do not push the chair  
around when a person  
is sitting in it

Do not push down on  
the backrest when a  
person is reclined

Do not place all your  
weight on only the  
backrest
