

TITAN

Premium Security Door Warranty

Your Titan Premium Security Screen door is warranted for residential installations against manufacturer defects under normal use for as long as you own your Titan product, and terminates if you sell or otherwise transfer the product or the property upon which it was installed. The Powder Coat Finish is warranted for five years from date of purchase. All other components of the product, including sunscreen material, bug sweeps, weather-stripping, and composite materials are covered for one year from date of purchase. If the door breaks or structural defects occur, Titan will, at our discretion, repair or replace the door. If your home is burglarized and entry was accomplished through a Titan security door, locked with a double dead bolt, Titan will pay your insurance deductible up to \$1000 or replace as applicable the damaged Titan security door at no charge (the "Home Protection Warranty"). Replacement items may vary in style due to changes in suppliers and product. Not all colors can be reproduced if colors have been discontinued. Titan is not responsible for any labor expense required to repair or replace the door. Titan is not responsible for securing the property while warranted items are being repaired or replaced. Cutting parts not specified by the installation guide or parts drilled incorrectly are not included in this warranty. Any problem caused by abuse, misuse, failure to maintain warranted item properly, adjustments due to settling of the structure that the product is mounted on, or acts of God, are not covered.
