

FRASER HILL FARM®

Sugar Hill Snowy Pine Collection

Step into a winter wonderland with Fraser Hill Farm's Sugar Hill Snowy Pine artificial Christmas tree. This extravagant tree features a traditional and natural silhouette that is constructed with all metal, hinged branches. The heavily flocked finish was designed to resemble freshly fallen snow that is true to season, and is also adorned with lifelike pinecones that produce a more natural look.

Fraser Hill Farm produces the most realistic trees on the market, featuring all the long-term benefits that come with owning an artificial tree. The tree needles are constructed out of non-allergenic and flame-retardant materials. The EZ Connect feature makes assembly a breeze by auto locking each tier securely into place. bulbs that feature 8 light modes and a convenient remote. Simply place the speaker beside the control box and set to music mode with the green light shining. Then simply let the Jingle Bells ring out and enjoy the show!

- Metal hinged branch construction
- Flame-retardant and non-allergenic materials
- 1-year limited warranty
