## 65 Liter Stainless-Steel Trash Can with Revolving Lid

The 65 Liter Stainless-Steel Swivel Trash Can with Revolving Lid is the solution for areas with limited space where you need an efficient way to dispose of trash. Our trash cans are created to be compact with its lustrous space-saving design. They are designed with a large opening to allow for convenient, mess-free trash disposal and with the side handles, it's effortless to pick up. Alpine's 65 Liter Stainless-Steel Swivel Trash Can with Revolving Lid comes equipped with a revolving lid that securely holds your trash bags in place and conceals unsightly garbage. With the stainless-steel body, rust will not be a concern and ensures the longevity of your investment. Our trash cans are developed to hold up to 17 gallons/65 liters of waste and can be utilized in offices, bathrooms, and bedrooms. The 65 Liter Stainless-Steel Swivel Trash Can with Revolving Lid is an inexpensive investment that you are guaranteed to have for many years.
