Installation Notes

Install this product according to the installation instructions.

There is only one ground wire for the entire wall sconce.

If installing this sconce as a grooming light, install one sconce on either side of the mirror. Mount each sconce a maximum of 20" (508 mm) from the center line of the mirror.

The proper height of the sconce depends upon the height of the user. Refer to the installation guide to determine the proper height.
