

WARRANTY

The manufacturer warrants the product against defects in materials and workmanship for ninety (90) days from the date of purchase. If within this period the product is found to be defective in material or workmanship, the product must be returned, with a copy of the original sales receipt as proof of purchase in the original carton, to the place of purchase. The manufacturer will, as its option, repair or replace the product to the consumer. This warranty does not cover products becoming defective due to misuse, accidental damage, improper handling and/or installation and specifically excludes liability for direct, incidental or consequential damages. As some states do not allow exclusions or limitations on an implied warranty, the above exclusions and limitations may not apply to you. This warranty gives you specific rights. You may have other rights that vary from state to state.
