

Van Zyverden's LILIES TRUMPET COLLECTION

Lilies are one of the truly great garden plants, as they are beloved by gardeners everywhere. Their beauty, diversity, extended season of bloom, graceful stature and overall reliable disposition reflect the fruits of hundreds of years of selective breeding. In Chinese, the word 'Lily' means 'forever in love'. The liliium family is so large, varied, and complex that it is challenging to describe them in short. Lilies are deer and critter resistant. Plant just about anywhere - borders, beds, cutting gardens, perennial gardens, pots and containers.

Perennial, years of flowers

Bold, very fragrant color

Grows 3-6' tall

About This Variety: This collection is a classic best choice. Four Trumpet lily varieties make up this first grade collection: African Queen, Pink Perfection, Regale Album, and Golden Splendour. For maximum versatility, the bulbs are individually packaged and labeled so that you can use them as you wish. The huge flowers are trumpet shaped and fragrant on tall stems. They also naturalize well, meaning that they will return for years to come with little to no effort.

Growing Instructions: Plant in well-drained soil where they will receive 6-8 hours of sun a day. They are winter hardy and considered a strong perennial that can be left in the ground and will re-bloom year after year if the conditions are right. Lilies perform best when mulched.

Care Tip: Lilies prefer cool soil, which argues for shade at their feet from low growing companions. When cutting the flowers for bouquets, remove no more than 1/3 of the stem so sufficient leaves remain to renew the bulb for the coming year.

Exposure: Full sun to partial shade

Height: Grows- 3-6' tall

Spacing: Plant 6-8" apart, 6-8" deep

Hardy in: USDA zones 3-8

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
