## Onemount #10010 / #10015 Instruction Sheet

**Disclaimer:** The ratings of the Onemount™ System are intended to represent the capability of the product and in no way reflect the ratings or capacity of the towing system it is being used with. You, the consumer or operator, are strongly advised to learn the ratings of the various components of the towing system and never exceed the limits of the lowest rated component being used.

- **#10010 : The 2" Pintle Hook Accessory is rated for 10,000lbs capacity.**
- **#10015 : The 2-5/16" Pintle Hook Accessory is rated for 13,000lbs capacity.**

**WARNING:** Do not exceed vehicle's towing capacity or receiver hitch capacity, whichever is less. See your Vehicle Owners Manual to determine Vehicle Tow Rating.

1. Install the Channel Mount Platform into the 2" receiver hitch of your vehicle and secure it with the included hitch pin and clip. Always secure the hitch pin with a cotter pin unless a locking device is being used. **See Illustration A.**
2. Raise or lower the Pintle Hook Accessory to the desired height and insert the supplied clevis pins through the holes that line up with the holes in the platform. Secure the pins with the included cotter pins. The back of the Pintle Combo includes an adjustable rubber bumper, which can be tightened or loosened for best fitment to prevent rattles and noise. Use of the rubber bumper is optional is *not* required for safety or towing.

**Note:** The supplied pins are specifically engineered for the Onemount™ System. If replacement pins are needed, they must be replaced with original Onemount™ pins. **WARNING:** Use of any pin other than of Onemount™ manufacture could be a serious safety hazard and will void the warranty.

3. Prior to towing, check to make sure that the pins are secured into place with cotter pins.
4. Never hook up trailer safety chains to the Onemount™ System.

**Warning:** Please ensure that the safety chains operate freely around the Onemount™ System and don't become entangled in the Channel Platform or Pintle Hook Accessory.
