This product may expose you to a chemical known to the state of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

This product contains recycled and reclaimed rubber materials. Recycled and reclaimed rubbers are made from the by-products of used tire crumb. The exact origins and compounds of each tire is unknown, and it is not feasible to test every tire that is recycled. Due to this fact, Rubber-Cal has chosen to provide a warning that this product may expose a person to one or more chemical ingredients listed in Proposition 65 as harmful to human health.
