

ORECK XL[®]

PROFESSIONAL GRADE

Restaurateur

WET/DRY SWEEPERS

- Available in 9.5 inch and 12.5 inch wide sizes
- Center pivot handle and low profile body lets you clean hard-to-reach areas. *Tough, durable sweeper is at home on both hard floors and carpets - works efficiently, noiselessly, and effortlessly!*
- Sturdy stainless-steel body designed to last a lifetime!

- Easy to empty. Dust bin stays secure while sweeping, yet is easy to open for discarding soils.
- Roto-Blade™ and chassis are easily sanitized in your dishwasher

*The
"Any-Surface"
Sweeper. Ideal tool
for the Foodservice
Facility*

- Soft vinyl bumper protects walls and furniture. High impact end caps add style and toughness
- Patented swing comb automatically adjusts to clean rotor brush in forward and backward sweep

- Great for stairs. No need to bring out larger vacuum equipment for quick cleanups.
- Wet/Dry sweeper picks up almost everything - dirt, flour, thread, ashes, grass, sand, pet hair, pins, paper clips and even broken glass

- Low profile cleaning head reaches under furniture, cleans close to baseboards and cabinets
- 4 year warranty
