Features & Benefits

Easy cleaning
No more permanent dirty marks with our EZKleen feature for stainless steel fridges. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

Humidity control
Your fruit and veges need different environments. The humidity control slides in each storage bin create a microclimate that helps keep food fresher for longer.

Design quality
Our fridges are designed and built using quality materials. We use real stainless steel on our fridges and solid glass for shelving.

Clever energy
Your fridge adapts to daily use by cooling and defrosting only when needed. This means your fridge uses the energy it needs without compromising on food care.
