Orange/Blue Skirted Wire Connectors, 150-Pack

Klein Tools Wire Connectors feature a curved wing design for added leverage on tough wire combinations while maintaining a compact profile for maximized box fill in tight electrical boxes. A quick-bite spring ensures fast, secure connections, and a flexible skirt helps reduce flash-over while fitting tight spaces. The 1/4-Inch hex top supports faster installation with tools, and UL Listed construction delivers dependable performance across 22–10 AWG applications.
