

Screwdriver Set, Keystone Demolition Driver, 2-Piece

Introducing the 2-Piece Fixed Blade Demolition Driver Set, featuring a 4-Inch and 7-Inch blade engineered for durability and versatility. Featuring a complete steel tip-to-cap connection, this set withstands heavy-duty striking and prying. Its square shank design allows for enhanced leverage, while the flared Cushion-Grip™ handle ensures a secure, slip-resistant grip and an oversized metal strike cap, it's perfect for hammering.
