INSTRUCTION MANUAL

Kids Picnic Table Set with Umbrella

1. Toy must be assembled by an adult before use exactly in accordance with the instructions.
2. Children must not use this product until properly installed.
3. Check all parts are present before you start to assemble the product. Place small parts on a tray or similar to ensure they are not lost. The manufacturing process can very occasionally result in sharp edges/waste material so please take care when assembling this product.
4. If any parts are missing do not use the product until the replacement parts are fitted.
5. Ensure your product is sited on level ground. Failure to do this may put additional stress on connections and joints and in time could cause them to fail.
6. Avoid locating this product in full sun.
7. Remove all packaging before giving to your children.
8. Equipment should be checked by an adult at the beginning of each season and at regular intervals during the usage season to ensure it is safe. Pay special attention to all connections and fastenings.
9. Parts may need to be replaced if they show signs of wear and tear. Replace any defective parts in accordance with these instructions.
10. Due to the natural characteristics of timber, it is vital to check your playframe regularly for splintering, lifting of surface layers of wood or exposure of rough wood. Affected areas must be rubbed down using coarse sandpaper to restore a smooth, safe surface.
11. Any changes to this toy eg changing or adding an accessory, must be done in accordance with our instructions. Failure to do this will render your guarantee null and void and may make your product unsafe.
12. Ensure children's clothing is appropriate for the play activity.
13. Never place toys near a fire.
14. In high winds, ensure outdoor toys are moved to a sheltered position and/or securely staked down.
15. The age recommendation for this product is clearly stated on the packaging and in these instructions. Please adhere to it at all times. Adult supervision is required at all times to ensure children play safely.
16. When you dispose of this equipment please do so responsibly.

5 Setting the switch to the open state (Trigger handle 90 degrees horizontally downward) Water will flow from the tap. (After turning on the faucet, the water starts to flow out in about 15 seconds.)

- NOTE:
- 1 Ensure that all water in the basin exceeds the minimum water level of 1.8L before use.
 - 2 The pump assembly must be placed in the basin fixing slot to open the switch. Otherwise, the pump will not discharge air, which will result in the faucet not being able to drain water and the motor idling to burn the main unit.
 - 3 Wipe the cleaned dishes with a rag and put them in the water filter basket and turn off the switch.
 - 4 Insert the faucet assembly into the basin positioning slot and hear a "click" to indicate. Please keep the above information and the instruction manual for future reference.
