

Pet Odor Neutralizer

For Artificial Grass

PRVPO-NAT-AC-64OZ
Item #4663467

DIRECTIONS

SYNLawn Pet Odor Neutralizer is a high performance, bacterial-enriched artificial grass cleaner, hard surface cleaner, odor eliminator and organic waste degrader. It is recommended for use on artificial grass, kennel floors and other animal containment area floors. The unique chemistry provides bleaching action (without the bleach) that brightens surfaces as it cleans and leaves the surface with a pleasant scent. Inherent biological action continues to clean between regularly scheduled cleaning to help keep soil accumulation to a minimum.

ARTIFICIAL GRASS CLEANING DIRECTIONS

Remove and discard solid waste. Turn the spray setting to the chemical feed position. Working from the furthest section of the artificial grass areas and moving backward, apply the solution to the surface. Allow the solution to sit for 3 to 5 minutes. Turn the spray setting to the rinse position. Moving towards the starting point and holding the sprayer 12 to 24 inches from the surface, thoroughly rinse the artificial grass.

FLOOR CLEANING DIRECTIONS

Remove and discard solid waste. Turn the spray setting to the chemical feed position. Apply the solution to the surface. If needed, agitate the surface using a deck brush to remove excess soil. Allow the solution to sit for 3 to 5 minutes. Turn spray setting to the rinse position. Thoroughly rinse the surface.

PET SAFETY

It is safe to return the pet to the surface if there are no standing puddles or heavy moisture. A damp surface will not harm the pet.

Use Areas

Dog Parks, Commercial Kennels, Veterinary Hospitals, Animal Shelters, Homes

PRODUCT SPECIFICATIONS

Active Ingredients (%)	15.0 + .05%
Color	Green, Slight hazy
Odor	Fresh Line
Base	Detergent Blend
pH	9.0 + 10.0
Viscosity	Water Thin
Foam	Moderate
Abrasive	None
Phosphate	None
Solubility	Complete with Water
Emulsification	Excellent
Detergency	Excellent
Rinsability	Excellent
Flash Point	None
Biodegradability:	Complete
Storage/Stability	1 Year
Weight Per Gallon	8.76 lbs./gal
Freeze/Thaw Stability	Keep from freezing
