OPERATION INSTRUCTIONS

On/Off: Press and release the button on the tail cap to turn the light on and off.

Cycle Modes: Press button on tail cap quickly to cycle through modes (High/Medium/Low). If light remains in a single mode for longer than 3-5 seconds, the next press of the button will turn the light off.

CHARGING INSTRUCTIONS

Charging Instructions: To charge the flashlight, reveal the charge port on the head of the light by rotating the charge port cover to the left.

Plug the small end of the USB charging cable (included) into the port on the flashlight. Plug the opposite end of the charging cable into a 5V USB power source.

The indicator light near the charge port will be red while the battery is charging, then turn green to indicate the battery is fully charged.

Rechargeable battery is sealed and replacement is not necessary.

The XP980 has a charge time of approximately 3 hours.
